

SUSTAINABILITY COUNCIL

NEVADA STATE COLLEGE

Welcome! We hope you will join us in participating, planning, or leading a campus initiative to improve the culture of sustainability at Nevada State. Please do not hesitate to reach out to one of the council co-chairs or the student ambassadors.

Let's make NSC a resilient campus that can respond to the climate crisis, including using natural resources wisely and ensuring that previously underrepresented voices are centered in our activities. We will continue to develop this website with additional information on our current and future initiatives, so please check back regularly.

Co-chairs:

Jennifer Edmonds (jennifer.edmonds@nsc.edu)

Laura Rosales Lagarde (laura.rosales@nsc.edu)

Student ambassadors:

Alejandra Carrillo-Marroquin (alejandra.carrillo@nsc.edu)

Kaitlyn Gomez (KaytlinIsabelle.Gomez@nsc.edu)

Become a member of the Sustainability Council at:
