

Nevada State Simulation Center Site Map and Address Instructions:

The Betty Engelstad Health & Sciences Center address is:
700 College Ave, Building H
Henderson, NV 89002

We are located on the CSN Henderson Campus at College Ave and Heather Ave, across from Foothill High School.

Follow the map below to arrive at Building H. You will use the SOUTH entrance (*front of the building*) facing the parking lot to enter the building. Once inside, follow the way-finding signs to Nevada State Simulation Center (*once inside the main doors, go to the left, just beyond the elevators and restrooms*) through the double doors. If there are road closures, use alternate routes (*College, Heather, Greenway, and Horizon are the four major roads surrounding the lab that will get you to the campus entrance on Heather Drive*).

Campus Map:

See next page for more information. →

Building H: Behind CSN building C and next to CSN Student Union

BEHSC NSC Wing Map: Enter the building and make a left at the first hallway, next to the bathrooms R23 and R24
