B.A. in Data Science | 60 Total Credits | Catalog Year: 2024-2025 | Transfer from CSN with A.A. in Computer Science

The Data Science Bachelor of Arts degree at Nevada State University will provide students a firm foundation in data management and analysis. Graduates of this program will possess the ability to create data reports and visualizations that can help other stakeholders understand complex information and make evidence-based decisions. Available careers include data analyst, operations manager, database administrator, and software engineer. Major Coursework requires a grade of "C-" or higher.
