

## NEVADA STATE UNIVERSITY SCHOOL OF NURSING

**Nina Marcellus** - Director of Health Sciences Lab and Simulation, MSN-Ed, RN, CHSE, CNEcl

Nina Marcellus is the Director of Health Sciences Lab and Simulation for the School of Nursing at Nevada State University in Henderson, NV. Previously, she held a position at another BSN institution in Henderson as Assistant Director of Skills Lab and Simulation.

Nina received her Accelerated Bachelor of Science in Nursing (BSN) degree at Nevada State University in 2013 and spent some time in the field as a Neonatal ICU bedside RN. In that role, she trained new graduate nurses in the Level III NICU at Sunrise Children's Hospital. During her time in the NICU at Sunrise, she attained her master's degree in nursing education (MSN-Ed) in fall 2017, transitioning into academia shortly after.

Nina began her time in nursing education in January 2018 as a dedicated adjunct simulation facilitator and skills lab faculty for Nevada State University and moved into a full-time faculty position in early Spring of 2020.
